

The Emerging Nations Science Foundation (Trieste, Italy)

and

University of Eldoret (Eldoret, Kenya)

Are pleased to announce for the second year, a Scientific Mentorship Program that aims to inspire and encourage mainly final year undergraduate students to take more interest in basic sciences and pursue graduate studies. Successful applicants will be expected to stay on for a period of 3 months with specific projects assigned to them. Applicants should supply the following documents:

1. Completed application form(to be downloaded from <http://cmsg.uoeld.ac.ke/initiatives>)
2. A CV – maximum 2 pages.
3. 1st – 3rd year transcripts (provisional acceptable).
4. A recommendation letter from your fourth year project supervisor. The supervisor is requested to provide his/her contact details (email and cell number).

The deadline of receiving applications is Monday, 28th of April 2014. Late applications will not be considered. All applications should be sent to the Program Coordinator, Department of Physics, in sealed envelopes and marked 'Scientific Mentorship Program'. Only shortlisted candidates will be contacted.
